

### The Dark Skull 418

“The World’s Most Dangerous Comic Book Novel”

*“Show me a Hero, and I’ll show you a @#\*% tragedy.”*

*– Midn8te Man, 2012*

As all things come to an end, so do the illusions of the world around us. When that happens something manifests in some people, something called The DarkSkull 418. A mysterious force that allows one to see the world for what it really is, even though it isn’t. A scary thought for some, a deadly threat for others. The advent of this cultural phenomena in pop culture and media, has ingrained the idea of total awakening in the populace. whats worse for the powers that be, is it started with a Mix tape called The DS418.

This particular Mix tape, by a now deceased rapper named Corn Liquor. His rap group “Concrete Evidence” was the biggest revolutionary music group in history. Since then, NSA Director John Nathan R. President has dedicated his time to tracing the moves of this subversive group mind anomaly totally altering the fabric of Anglo American life. As the World heads towards a Global Financial War, everywhere, everyone feels there is a sense, that this one won’t end, until everything’s gone. Along with the NSA Director other secret factions of Power like “The Thulic Vrill” and “The Break Away Society”, of whom the NSA Director is an agent. Many factions seek to exploit the chaos and rapture. NSA Director President, has dispatched his most trusted agents Special Agents Moldy and Skulder to create a case profile on the public faces of THe Dark Skull 418. What they uncover leads them to strange findings, and obtuse individuals. Starting on the trail of the Midn8te Man, a National Serial Cop killer. The first man ever to be declared and profiled as a “Super Villian.” With the appearance of the Comet of Doom in the eastern skies, talks of secession, Satanic Ritual Celebrity murders, and the final showdown between China and The US times are Strange. The mystery of who, or what the Dark Skull 418 is, becomes Moor and Moor revealing. The DS418 will take you on a “FutureHistoricSuperSci-Fi-fantasy” ride. To a place very familiar, but totally new . A reality where nothing false can exist, A Universe to B, where Reality is the New Black.

About the Author: Aseer The Duke of Tiers is a multimedia artist who started doing art at 5. After is schooling and travels abroad, and in the streets.
